ORDER

C.A. No. 11-16237

15
16 This prisoner civil rights action comes before the Court following upon a referral notice
17 (#24) from the Court of Appeals with regard to whether the *in forma pauperis* status granted
18 in the district court should continue on appeal. Following review, the Court remains of the
19 view that the case was correctly decided. However, it does not appear that the appeal from
20 the dismissal is frivolous to the extent that a similar appeal by a non-indigent litigant would be
21 dismissed – as to all of the claims presented – on that basis.

22 IT THEREFORE IS ORDERED, pursuant to 28 U.S.C. § 1915(a)(3) and Rule 24(a)(3)
23 of the Federal Rules of Appellate Procedure, that this Court certifies to the Court of Appeals
24 that it does not elect to revoke *in forma pauperis* status in response to the referral notice.

25 DATED: June 6, 2011.
